"Put your freight on the Fast Lane"

DARREN'S CORNER/PAGE

Wow is all I can say! What a crazy busy first quarter of 2018. Freight volumes are up and everyone is keeping very busy. We are still pushing to have all the drivers' home safely and on a regular basis for family time.

If you know of someone who would like to join our family please send me their information – referrals which result in a hire are rewarded – please see me for details.

On a different note we would like to Welcome Brian Beck to our team as Mechanic and Safety Rep. His background in maintenance, trucking and business will no doubt, be a huge asset to our company. Doug has decided to leave our family here at Fast Lane Freight and so we wish him all the best going forward and thank him for his many years of dedicated service.

Receiving an Autism Diagnosis does not change who your child is. It simply gives you an understanding of the challenges your child is facing and how you can best meet your child's needs. The Autism Awareness ride has been created to provide opportunities for children with ASD to develop to their fullest potential.

Autism Awareness is close to our families' hearts

Ride starts at St. Amant and ends at Fort Garry Brewing.
If you would like to participate, entry fee is \$20 and dual rider fee is \$30.
Live music and many prizes!

Even though things are that busy it is still important to take time for family. This also goes for community. There are lots of different community events going on for different causes. We have aligned ourselves with a couple and one which is coming up on June 9th. It is called The “Autism Awareness Motorcycle Ride” which is the first annual motorcycle poker derby.

(Proceeds from the **Autism Awareness Motorcycle Ride** will support children and adults with Autism by encouraging them to participate in recreation and leisure activities through the St. Amant Leisure Guide. Offering dozens of different classes three times a year, the Leisure Guide is a great place for people with developmental disabilities and autism to learn new skills, meet new friends and gain confidence).

We believe this will be a great event for a wonderful cause. This is also a perfect way to give back to the community and have fun while doing it!

Be sure to read our next edition when we will have more information in regards to the Truck Convoy for Special Olympics which will be happening in September!

RANDOM THOUGHTS.....

If walking is good for your health, the postman would be immortal.

A whale swims all day, only eats fish, and drinks water, but is still fat.

A rabbit runs, and hops, and only lives 15 years, while a tortoise doesn't run, and does mostly nothing, yet it lives for 150 years.

Now that I'm older, here's what I've discovered:

1. I started out with nothing, and I still have most of it.
2. My wild oats are mostly enjoyed with prunes and all-bran.
3. Funny, I don't remember being absent-minded.
4. Funny, I don't remember being absent-minded.
5. If all is not lost, then where the heck is it?
6. It was a whole lot easier to get older, than it was to get wiser.
7. Some days, you're the top dog, some days you're the hydrant.
8. I wish the buck really did stop here; I sure could use a few of them.
9. Kids in the back seat cause accidents.
10. Accidents in the back seat cause kids.
11. It is hard to make a comeback when you haven't been anywhere.
12. The world only beats a path to your door when you're in the bathroom.
13. If God wanted me to touch my toes, he'd have put them on my knees.
14. When I'm finally holding all the right cards, everyone wants to play chess.
15. It is not hard to meet expenses . . . They're everywhere.
16. The only difference between a rut and a grave is the depth..

GO OUT AND ENJOY YOUR TIME ON THIS EARTH.

LAUGH AT YOURSELF

HUG YOUR FAMILY AND TELL THEM YOU LOVE THEM EVERYDAY

In case you forgot, or we forgot to mention how much you are appreciated every day for everything you do for Fast Lane Freight Services – THANK YOU!
