“Put your freight on the Fast Lane”

DARREN'S CORNER/PAGE

*Darren Lane, President & CEO
Fast Lane Freight Services Inc*

This issue of the newsletter is dedicated to RESPECT. The reason why I chose it is because it is the foundation of business. It is something we all need as individuals, as colleagues, as partners and as an industry. I'm not saying we are perfect but we have added it to our basic vision and values statement because we BELIEVE it and want to always strive to be better.

Some of you may have noticed that 'No Loitering' sign in front office – PLEASE do not be offended, we love when you visit us and show comradery amongst yourselves. We had to post this because we are a very small office and we are trying to conduct business on the phones....we are discussing freight, delivery and rates with customers; we are trying to obtain permits; we are trying to find freight for your fellow driver so he is not stuck somewhere overnight; and we when you visit in the front office laughter and swearing and telling jokes is a HUGE distraction and makes it very difficult to conduct business in a respectful and professional manner. PLEASE take it to the lunch room or the shop and we will join you when we can.

VISION To build a successful and sustainable company that will earn a legacy built on honesty and trust.

MISSION To deliver freight to customers efficiently, safely and as economically as possible.

VALUES * **FAMILY** * **INTEGRITY** * **RESPECT** * **SAFETY** * **TRUST**

CULTURE Whether you are a customer sending or receiving freight you are doing a job to feed your family. Whether you are dispatching a driver or you are the driver, you are earning a paycheck to feed your family. We believe we can all be served positively and a win-win can be achieved for everyone. We believe in treating everyone with respect, doing our jobs safely so at the end of the day we all go home and can take care of our families.

PROMISE Our promise to you, the customers, staff, drivers and community, is be honest, reliable, considerate and respectful at all times.

If there is anything we can do to help make this place of business a better place to work and to belong please let us know

As of November 1, 2018 distracted driving penalty increases to an immediate 3-day side of the road licence suspension, \$672 fine and 5 demerits !!!!!!!!!!!!!
